[Cohors Helvetica: Defensores Ecclesiae Libertatis...](#)

They're the most colorful military unit in the world, and the cleric with the cherubic smile is the one we hope will be their next *cappellano* (chaplain)! Meet don Moore, the one guy with the most connections in all of Rome!

He comes to Rome bearing gifts - Swiss chocolate! And everybody knows him and loves him. He's a legend and it's an honor to know him.
