## SILENT AUCTION GUIDELINES

Silent Auction Section I closes at 8:00 p.m.  
Silent Auction Section II closes at 8:45 p.m.

MINIMUM STARTING BID  
ON ALL SILENT AUCTION ITEMS  
IS \$5.00

### PLEASE NOTE CHANGES

This year there are two ways to participate in the Silent Auction.

- Bids can be written on bid sheets associated with the item you are interested in. Include your name and amount of bid. **Each new bid must increase the previous bid by \$1.00; otherwise the bid is void.**

OR

- This year anytime during the evening you can put your ULTIMATE BID in the BID BOX. Then ten minutes before the closing of each Silent Auction section you will be notified of the impending closing and that you have your last chance to place your top bid in the ULTIMATE BID BOX.

To make your ULTIMATE BID write your name, table #, bidder # and # of the item you want to bid on and the highest bid you are willing to give. ULTIMATE BID slips can be found on your table or on the display table near the BID BOX.

This will allow those bidders who do not want to be taken away from the Oral Auction or those who do not want to battle the crowd at the time of closing of a section to bid on a silent auction item by putting their final/top bid into the ULTIMATE BID BOX.

Only bids placed in the ULTIMATE BID BOX before the specific section closes will be accepted. To prevent ties do not make your final bid in an even-dollar amount.

After the section closes the bid sheets will be collected and the ULTIMATE BID BOX slips will be tallied.

NOTE: The bidder with the highest bid – either the last posted bid on the bid sheet or the highest bid placed in the ULTIMATE BID BOX will decide the winner of that item.

- In the case of a tie bid those bidders will be asked to rebid and break the tie.
- Item may be claimed after the bank opens at 9:00 p.m.
- The cashier will have the item and bid amount on the computer printout at the end of the evening.

**Please note:** Expiration dates or specific conditions for services or gift certificates can be found on the certificates placed on the tables next to their corresponding bid sheets.

203 Return of the \$100 bill

We've begun a tradition, come join us & see  
What a simple \$100 bill can grow to be.

It started March 2001 as St. Mary's auction was about to end.  
Many people still had cash they didn't know how to spend.

"Here's a hundred," Bill said. "See what it will bring."  
Soon the willing auction bids over the crowd did ring.  
Fifty, eighty, two hundred, we couldn't believe the size.  
Up & up the bid did go for the symbolic prize.

Finally, the bidding stopped. Now isn't that just grand  
To see what folks 'round here will do to lend a helping hand.  
They say the best is saved for last, so join in the fun.  
Remember, your name goes on the plaque when all the biddings  
done.

So open your wallets, don't be shy, raise your voices clear.  
We'll keep the hundred; let's show our pride, year after year after  
year.
