Effective November 2010, Robert Juenger will be stepping down as our council's Financial Secretary. Robert has been the Financial Secretary for Council 3790 for the past eleven years. Many behind the scenes activities and chores required of the Financial Secretary sometimes go unnoticed and unappreciated. We wish to extend Robert a heart-felt **thank you** for the past years of service to our council as our Financial Secretary.

Our new Financial Secretary will be Josh Berry. Robert will be helping and guiding Josh over the next few months to ensure a smooth transition. We wish Josh the best of luck and success with this leadership position.

Paul McCormick wishes everyone a big **thank you** for members selling or purchasing their Downstate BBQ raffle books. We sold 116 books this year. The steak feed for members who bought or sold their raffle book will be held on Saturday, September 18th after the 5:00 p.m. Mass at St. Mary's.

The Tootsie Roll drive will be held on September 24th - 25th. Mike Liefer and Danny Miller will be making phone calls after the Popeye Picnic to line up volunteers for this worthwhile fundraiser for the mentally handicapped. All money raised from this event stays in Randolph County.

Popeye Picnic is coming fast and we still need many volunteers for the Beer stand, BBQ and Fish stand, St. Mary's Poker stand and also the Sunday Smorgasbord. Please stop by the club to sign up on a preferred time slot. In addition, please turn in your sold Popeye Picnic 50-50 raffle tickets at the club or mail them to 209 Church Street, Chester, IL 62233.

Did you know? The Knights of Columbus is a fraternal benefit society, which means that in addition to serving the Church and engaging in acts of charity, we also offer life insurance to our members. And so many members have entrusted their financial security to us that Fortune Magazine counts us as among the 1000 largest corporations in America for 2009. With more than \$75 billion of life insurance in force and assets of more than \$15 billion, the Order continues to be an example of strength and stability in the industry. We have grown dramatically over the past decade, and insurance in force and life premium income have both nearly doubled since 1999. In 2009, the Order paid more than \$740 million to members in the form of benefits and dividends. Please contact our insurance representative, Eric Baker, at 618-363-3317 to discuss your needs for you and your family.
